

# PROTOTYPE 1

Goals:

1. To evoke the fashion industry with implied line and hard geometry.
2. Stay true to my personal brand.

# PROTOTYPE 2

## Goals:

1. Stay true to my personal brand of thin lines and interesting illustration.
2. Look for a better way to promote the fashion industry without seeming overt... and failing.
3. Add search bar that's interesting to use in order to comb through content faster.
